

Scottsdale, AZ & New York, NY, November 17, 2023 – Risk Solutions International LLC (“RSI”) is pleased to announce its newly-formed strategic partnership with RiskSigma7 Group Holdings, LLC (Sigma7). This partnership will enable synergies and expand capabilities and solutions in the marketplace for both RSI and Sigma7.

Duane Lohn, Senior Managing Director of RSI, commented, “We are extremely excited to add the capabilities of the Sigma7 platform of companies. In addition, RSI can provide Sigma7 additional service delivery capability and enhanced service offerings.”

Andrew Tait, Integrated Risk Leader and Managing Director of Sigma7, added, “We pleased to be partnering with RSI as together we seek to address risk issues for clients doing important work.”

About Risk Solutions International (RSI)

RSI is an independent provider of solutions to operational risks that organizations face, with expertise in risk management, IT and information security, data privacy, and consulting. They work across the United States and globally, helping commercial, educational, and governmental entities respond to risks in an unpredictable environment. RSI’s key business themes include enterprise risk management, cybersecurity risk management, and business continuity planning. For more information, visit www.rsi-llc.com.

About Sigma7

Sigma7 is a new kind of global risk advisor and services platform designed to enhance value by helping organizations dramatically improve the way they assess, mitigate and respond to risk. Sigma7 was founded to help companies create competitive advantage through actionable risk insights and superior business outcomes. Sigma7 provides holistic risk management capabilities, connecting organizational risk profiles to the business strategy and tactical operations. They help companies transform their risk practices and remain focused on delivering their essential mission. For more information, visit www.s7risk.com/.
